All tariffs have validity of 30 days unless otherwise indicated.

**All packages include access to Hayai Zone @ up to 1Gbit/s. This speed is delivered on a best effort basis, subject to hardware support by your computer. Equipment supplied by Hayai remains property of the company. Hayai Broadband reserves the right to change prices & packages at any time & without notice. One-time non-refundable activation/installation: Rs 1,000 inc tax. Data plans and/or Fair Usage Policies indicate bandwidth in each direction, e.g. 1GB download + 1GB upload, NOT 1GB divided between download and upload.
